

**Band Camp Schedule**  
**To be early is to be on time.**  
**To be on time is to be late.**  
**To be late...just don't be late.**

Band members may arrive up to 30 minutes before a rehearsal or other call time unless otherwise informed.

Call times are the times that members are expected to be in place, ready to rehearse. This means that you must arrive before the call time, prepare, and then be in place at the call time.

*Example:* A rehearsal is scheduled to begin at 6:00 PM. You should arrive about 10-15 minutes before 6:00 PM, get your equipment/instrument ready, and be in your assigned spot by 6:00 PM. This is true for all rehearsals and performances, unless otherwise informed.

Most rehearsals will begin on the field, but the August 1st rehearsal and the first day of camp will begin in the band room. Be sure to join the Remind group. Any changes to the schedule or meeting place will be sent out via the Remind app.

**Thursday, August 1st - Band Camp Prep Rehearsal**
